**Solarbron at Home** is a licensed agency that provides skilled nursing services to residents of Solarbron. **The Indiana State Department of Health** inspects state licensed home health agencies for quality of care and ensures compliance with state law and rules. Some of the home health services offered and provided at **Solarbron** may include:

- *Skilled nursing services* as directed by the patient's physician.
- *Home health aides* to assist with personal care needs.
- *Coordination of therapeutic services* as needed by patients for optimal health.
- *Coordination of services* when eligible for Home Health Care under *Medicare* benefits.

**Solarbron at Home** allows you to continue living in your private home or apartment, while receiving nursing services delivered by our familiar and qualified staff. Through a comprehensive assessment, our clinical nursing director will meet with you when you have need of additional services, and when possible, offer a solution that allows you to remain at **Solarbron** either temporarily or long term, depending upon your individual situation. These services will be exclusive to residents living at **Solarbron**.

**Solarbron at Home** also includes a **Personal Service Agency licensed by The Indiana State Department of Health** to provide you with personal care services including assistance with activities of daily living, personal care, housekeeping, personal laundry, and companionship as a support system to enable you to remain safely and comfortably in your own private residence. In-home personal care services are focused on providing assistance that is not medical in nature, but is based upon assisting you in meeting the demands of living independently and maintaining a private home, such as an apartment or villa at Solarbron. Some of the personal services offered and provided at

Solarbron by familiar and qualified staff may include the following:

## 1. Attendant Care Services

Hands on assistance with activities of daily living including, but not limited to:

- *ambulation*
- *transferring*
- *toileting*
- *grooming*
- *medication reminding*

## 2. Homemaker Services

Assistance with:

- *household tasks*
- *shopping*
- *grooming*
- *meals*
